2. Reasons

The Company's basic policy is to pay stable dividends after taking into consideration our business performance, financial condition, and future business development. Based on the above policy, the Company resolved to pay an interim dividend of 2.50 yen per share for the current second quarter.

(Reference) Breakdown of annual dividends

	Dividend per share		
	End of Q2	Year-end	Annual
Dividend forecast		2.50 yen	5.00 yen
Results (FY2027)	2.50 yen		-
Previous results (FY2026) (After stock split conversion)	4.50 yen (2.25 yen)	2.25 yen	- (4.50 yen)

(Note) Regarding the annual dividend per share for the previous results (FY2026), "-" is presented because a simple total cannot be calculated due to the implementation of the stock split. The amount taking into account the effect of the stock split is presented in brackets.
